

## Promises

God of Abraham  
You're the God of covenant  
And of faithful promises  
Time and time again  
You have proven  
You'll do just what You said  
Though the storms may come and the winds may blow  
I'll remain steadfast  
And let my heart learn, when You speak a word  
It will come to pass  
Great is Your faithfulness to me  
Great is Your faithfulness to me  
From the rising sun to the setting same  
I will praise Your name  
Great is Your faithfulness to me  
When the seasons change  
You remain the same  
God from age to age  
Though the earth may pass away  
Your word remains the same, yeah  
Your history can prove  
There's nothing You can't do  
You're faithful and true  
Though the storms may come and the winds may blow  
I'll remain steadfast  
And let my heart learn, when You speak a word  
It will come to pass  
Great is Your faithfulness to me, oh  
Great is Your faithfulness  
From the rising  
From the rising sun to the setting same (I will praise Your name)  
I will praise Your name  
Great is Your faithfulness to me, yeah, yeah (oh, oh)  
Your faithfulness, it never runs out (yeah)  
It never runs out  
Oh-oh, Your faithfulness  
Oh, it never runs out (it never runs out)  
It never runs out (it never runs out)  
I put my faith in Jesus  
My anchor to the ground

My hope and firm foundation  
He'll never let me down

I put my faith in Jesus  
My anchor to the ground (my hope and firm foundation)  
'Cause my hope and firm foundation (He'll never let me down)  
He'll never let me down (oh, I put)  
I put my trust (faith) in Jesus (yes, I do)  
My anchor to the ground  
My hope and firm foundation (my hope and firm foundation)  
He'll never let me down (He'll never let me down)  
Never let me down  
I put my faith in Jesus (I put my faith in Jesus)  
My anchor to the ground (my anchor to the ground), oh  
He's my hope, my only hope, my only hope (my hope and firm foundation)  
He'll never let me down (He'll never let me down)  
He'll never let me down  
Great is Your faithfulness to me (faithfulness, oh, great)  
Great is Your faithfulness to me (from the rising sun)  
From the rising sun to the setting same  
I will praise Your name  
In every season, great is Your faithfulness to me

## Promised Land

You were not hiding  
But I couldn't find You  
If I'm being honest  
Not sure I really tried  
I wrestled with angels  
Defending my idols  
Walking in circles  
Till I was blinded by the light  
Now my eyes are open  
And Heaven's a breath away  
You broke through my borders  
And plotted my great escape  
I'm running to freedom  
I'm taking my second chance  
Out of the grave into the promised land  
You were not hiding  
But I couldn't find You  
Oh, I used to wander  
Now I'm just lost in You  
My heart is beating  
I'm coming alive, coming alive  
To see is believing  
Then I don't even have to try  
Now my eyes are open  
And Heaven's a breath away  
You broke through my borders  
And plotted my great escape  
I'm running to freedom  
I'm taking my second chance  
Out of the grave into the promised land  
Out of the grave into the promised land  
Oh, I'm coming out of my grave  
I'm coming out  
'Cause there is a place where faith becomes sight  
You pull back the curtain and let in the light  
(Oh, there is a place)  
There is a place where faith becomes sight  
(Oh, I'm not blind anymore)  
You pull back the curtain and let in the light  
(Oh, there is a place)

There is a place where faith becomes sight  
(Oh)

You pull back the curtain and let in the light  
(Oh, there is a place)

There is a place where faith becomes sight  
(Oh, when You pull it back)

Pull back the curtain and let in the light  
You pull back the curtain and let in the light  
You pull back the curtain and let in the light  
You pull back the curtain and let in the light (Oh, You pull it back)

Pull back the curtain and let in the light  
You pull back the curtain and let in the light

Now my eyes are open  
Heaven's a breath away

You broke through my borders  
And plotted my great escape  
I'm running to freedom  
I'm taking my second chance

Out of the grave into the promised land

Now my eyes are open  
And Heaven's a breath away

You broke through my borders  
And plotted my great escape  
I'm running to freedom  
I'm taking my second chance

Out of the grave into the promised land

Out of the grave into the promised land

Oh, into the promised land

Oh, I'm stepping into Your promised land..

Closer than the (you're closer) than the thoughts I think

## Over and Over

I'm standing on the edge of, everything I know  
Comfort is behind me, I've got to let that go  
There's freedom in the free fall, when I'm falling into you  
God knows where I'm going, maybe I don't have to  
I lay me down at the altar  
Over and over, over and over  
From fear to faith, I surrender  
Over and over, over and over  
You take all my questions, as they're wrestled to the ground  
Patiently You guide me, You're so good, beyond what I see now, oh  
I don't have all the answers, trust is what I need  
My comfort is in knowing, You're right here, You're right here next to me  
I lay me down at the altar  
Over and over, over and over  
From fear to faith, I surrender  
Over and over, over and over  
I surrender, I surrender  
I'm letting it all go  
Because I trust You, I trust You  
I gain it all in the letting go  
So I let it go, You are in control  
I find my life when I give it up  
So I give it up, I can trust Your love  
I gain it all in the letting go  
So I let it go, You are in control  
I find my life when I give it up  
So I give it up, I can trust Your love  
I gain it all in the letting go  
So I let it go, You are in, You are in control  
I find my life when I give it up  
So I give it up, I can trust Your love  
I lay me down at the altar  
Over and over, over and over  
You take me, God  
From fear to faith, I surrender  
Over and over, over and over  
I'll sing it again, sing it again  
I lay me down at the altar  
Over and over, over and over

From fear to faith, I surrender  
Over and over, over and over  
I gain it all, I gain it all  
I gain it all in the letting go  
So I let it go, You are in control  
I find my life when I give it up  
So I give it up, I can trust Your love, oh  
We trust in You, God  
Oh, we trust in who You are, and in Your plans  
You hold it all, so I lay it all down  
I lay me down at the altar  
Over and over, over and over, yes  
From fear to faith, I surrender  
Over and over, over and over

## **Come as you are**

Come out of sadness  
From wherever you've been  
Come broken hearted  
Let rescue begin  
Come find your mercy  
Oh sinner come kneel  
Earth has no sorrow  
That heaven can't heal  
Earth has no sorrow  
That heaven can't heal  
So lay down your burdens  
Lay down your shame  
All who are broken  
Lift up your face  
Oh wanderer come home  
You're not too far  
So lay down your hurt  
Lay down your heart  
Come as you are  
There's hope for the hopeless  
And all those who've strayed  
Come sit at the table  
Come taste the grace  
There's rest for the weary  
Rest that endures  
Earth has no sorrow  
That heaven can't cure  
So lay down your burdens  
Lay down your shame  
All who are broken  
Lift up your face  
Oh wanderer come home  
You're not too far  
Lay down your hurt lay down your heart  
Come as you are  
Come as you are  
Fall in his arms  
Come as you are  
There's joy for the morning  
Oh sinner be still  
Earth has no sorrow  
That heaven can't heal

Earth has no sorrow  
That heaven can't heal  
So lay down your burdens  
Lay down your shame  
All who are broken  
Lift up your face  
Oh wanderer come home  
You're not too far  
So lay down your hurt  
Lay down your heart  
Come as you are  
Come as you are  
Come as you are  
Come as you are

## All Hail King Jesus

There was a moment when the lights went out  
When death had claimed its victory  
The King of Love had given up His life  
The darkest day in history  
There on a cross they made for sinners  
For every curse His blood atoned  
One final breath and it was finished  
But not the end we could have known  
For the earth began to shake  
And the veil was torn  
What sacrifice was made  
As the heavens roared  
All hail King Jesus  
All hail the Lord of Heaven and earth  
All hail King Jesus  
All hail the Savior of the world  
There was a moment when the sky lit up  
A flash of light breaking through  
When all was lost He crossed eternity  
The King of life was on the move  
For in a dark cold tomb  
Where our Lord was laid  
One miraculous breath  
And we're forever changed  
All hail, King Jesus  
All hail the Lord of heaven and earth  
All hail, King Jesus  
All hail the Savior of the world  
All hail, King Jesus  
All hail the Lord of heaven and earth  
All hail, King Jesus  
All hail the Savior of the world  
Let every knee, come bow before the King of Kings  
Let every tongue, confess that He is Lord  
Lift up your shout, let us join with all of Heaven  
Singing holy, singing holy  
Cry out holy, singing holy  
All hail, King Jesus  
All hail the Lord of heaven and earth  
All hail, King Jesus  
All hail the Savior of the world

All hail, King Jesus  
All hail, King Jesus  
All hail, King Jesus  
All hail, King Jesus  
All hail, King Jesus  
All hail the Lord of heaven and earth  
All hail, King Jesus  
All hail the Savior of the world  
All hail, King Jesus  
All hail the Lord of heaven and earth  
All hail, King Jesus  
All hail the Savior of the world  
All hail, King Jesus  
All hail the Lord of heaven and earth  
All hail, King Jesus  
All hail the Savior of the world
